24ème EDITION - 5 AU 10 AVRIL 2022 - TUILERIES

A founding and unmissable event for international design collectors, PAD Paris returns for its 24th edition from 5 to 10 April 2022.

PAD Paris brings together the best international and French galleries of Decorative Arts and historical, modern and contemporary design.

PAD Paris offers an exceptional journey of beauty, a stimulating resonance between the works, but also between the specialities and personalities of the gallery owners.

For this edition, the scenography of the restaurant is entrusted to the decorator Sandra Benhamou, and the PAD Studio is designed by interior architects Jacques Bec and Artur Miranda, the OITOEMPONTO duo.

The PAD Paris jury, composed of renowned architects and interior designers, is chaired by Jacques Grange.
