2022 REVIEW
24TH EDITION

PAD Paris made it's comeback in 2022 and was a great success!

The Tuileries hosted PAD Paris for the 24th time

A true institution in the design world, PAD Paris brought together 69 galleries from all over the world, including **18** new exhibitors.

A very good attendance :

Over **5** days, **39,114** visitors came to discover the best galleries of Historical and Contemporary Design.

Galleries were satisfied :

"An edition with very important sales and a prestigious clientele"
Pierre Passebon

"We are delighted with the quality of the collectors and the knowledgeable amateurs !"
Jacques Bec and Artur Miranda, Studio PAD

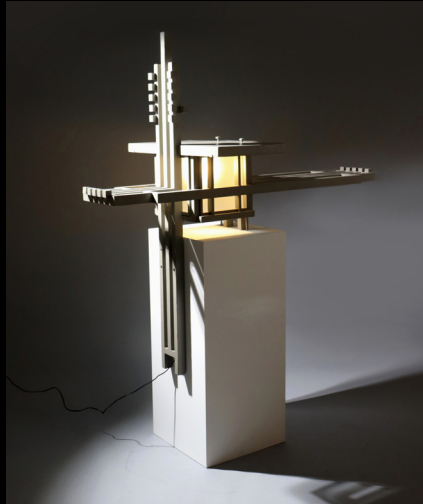

This year again, PAD Paris exceled by the quality of the objects presented and by the success of its participants' sales.

Many galleries reported selling their best pieces even before the opening.

For the PAD Paris galleries, satisfaction was the order of the day.
