ABOUT PAD LONDON

Founded in 2007 by fourth-generation Parisian antique dealer Patrick Perrin, PAD London is the only fair in the UK exclusively dedicated to 20thC and contemporary Design. The week-long event takes place every October during Frieze, in an elegant tent pitched on Berkeley square, in the heart of London's affluent Mayfair district. PAD London is the sister fair to PAD Paris which was launched in 1998 and takes place every April in the Jardin des Tuileries.

A permanent fixture on the two capital's vibrant art and design circuits, PAD fairs have become a byword for connoisseurship, exquisite taste and curatorial flair, showcasing the very best in 20th-century and contemporary design from the world's leading galleries. With their distinct approach to collecting, PAD fairs epitomize how artistic genres across time and periods interact to reveal astonishing combinations and create the most individual and striking interiors.

PAD fairs cultivate eclecticism, authenticity and connoisseurship with unparalleled passion and flair. Their refined setting is designed to inspire collectors, art consultants, museum experts, interior specialists, design practitioners and the public, making PAD the only event of its kind.
