## PAD London Art Fair

5 - 9 October

Returning to the prestigious Berkeley Square in Mayfair for its tenth year, the PAD London Art Fair, (Pavilion of Art & Design London) brings together exceptional works of modern art, design, decorative arts, photography, jewellery and tribal art from 1860 to today. The fair, which takes place at the same time as the Frieze and Frieze Masters art fairs, helps to attract the world's most influential art buyers to London. To mark the 10-year milestone, the fair will pitch a magnificent white tent on Berkeley Square, breaking away from its iconic black pavilion. Over 65 international exhibitors will converge at the square to showcase their most exciting discoveries to date.

## The Big Draw

1 - 31 October

Comprising of Science, Technology, Engineering, Art and Maths, Steam is the theme for The Big Draw in 2016. Taking place nationwide throughout October, museums, galleries, heritage sites, libraries, schools and parks all play host to a variety of events encouraging people of all ages to discover how drawing can connect them with their surroundings and communities. London institutions such as the British Museum, National Gallery and Victoria and Albert Museum all take part so make sure you get to an event near you.
